

WOMEN-ONLY CLINIC

\$5
DONATION
(FREE TO PLATINUM
LEVEL MEMBERS)

Team Revolution corners John (Velocity's head mechanic) to teach a blend of roadside repair & basic maintenance. With time for hands-on (don't wear your finest clothing, you may get dirty) and lots of questions! Also, we are encouraged to eat, drink and be merry during the clinic. The cafe will be OPEN, but, if you like to drink a beer while you work with tools, you're welcome to bring your own (and wine works, too!).

NO BIKE REQUIRED.
